Note: The Company completed the acquisition of 100% equity interest in China Energy Hangjin Energy Co., Ltd. (“**Hangjin Energy**”) in February 2025. The major operational data of the Company shown in the table above incorporates the relevant business volumes of Hangjin Energy, and the major operational data of the Company for the corresponding period last year have been restated.

From January to December 2025, the year-on-year decrease in shipping volume and shipment turnover of the Company was mainly due to structural adjustment to the shipping business and changes in route structure. The year-on-year increase in polyethylene sales and polypropylene sales was mainly due to the lower base resulting from the scheduled maintenance of coal-to-olefin production equipment last year and the production growth of polyolefin products this year.

The major operational data above was calculated based on the internal statistics of the Company. Operational data may show major differences from month to month. The factors giving rise to such differences include, among others, changes in weather, equipment overhaul, seasonal factors and safety inspection. The major operational data may somewhat differ from the data disclosed in the relative periodic reports. Investors are hereby reminded of the risks that may result from inappropriate reliance upon or utilization of the information given above.
